To Whom It May Concern:

I am writing to recommend Sam Sullivan and AllGreen Services. Evans County has experienced a tremendous professional relationship with Sam and his team over the past several years. He has been fair and honest in all of his dealings with Evans County and has proven himself to be a valuable asset to our organization.

Sullivan has always been direct with our Board and his company has actively maintained an open line of communication. He has been more than willing to not only offer a service, but explain the complex processes within his industry with patience and thoroughness. He is a trusted advisor to the Board in the Solid Waste space and has illustrated immense integrity in all of our dealings with him.

If you have any questions, concerns, or require any clarification, please feel free to contact my office at (912) 739-1141, option 8.

Sincere Regards,
