To Whom It May Concern:

Re: Reference for AllGreen Services, LLC.

I am pleased to offer this letter of recommendation for AllGreen Services, LLC. AllGreen has been providing Tattall County with residential, commercial and industrial waste collection and disposal services since June of 2015. AllGreen assumed this contract from a previous service provider.

The primary services include weekly collection and disposal of approximately 4000 residential customers. Other services include roll off containers from three county operated convenience centers, and commercial dumpster services for approximately 75 private commercial and residential accounts as well as county facilities.

AllGreen's services for our county have been excellent! They are very prompt to address and solve problems when they occur. Our county manages its cart delivery and removal process and AllGreen does a great job maintaining an inventory of carts for us. Their staff is courteous and they have a direct line of communication daily with our staff which insures prompt attention to any issue. AllGreen has worked closely with all the communities in Tattall County, including Glennville, Reidsville and Collins, to insure a uniform and consistent service for all citizens of our county.

AllGreen excels in providing Tattall County with great personal services. From their top management down to their drivers, it is easy for me to say Tattall County is extremely pleased with AllGreen! I would highly recommend them for any city or county in this area.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank H. Murphy", with a long horizontal flourish extending to the right.

Frank Murphy, County Manager
Tattall County Board of Commissioners
